RE: Waiters v. Lee
Docket # 13-CV-3636

Dear Judge Gleeson:

In a letter I mistakenly dated "May 19, 2013" sent via ECF yesterday, I requested that the previously imposed stay on this habeas petition be lifted. I attached the majority of the applicable legal work from both sides and the court decisions that were part of the litigation at the state court. I am now enclosing the application made by Mr. Waiters for the Appellate Division to grant him an appeal of the denial of his CPL § 440.10(1)(h) motion and the People's response thereto. The entire record of the state court proceeding has now been provided. Thank you in advance for your consideration.

Sincerely,

Gary Farrell
Attorney for Waiters Lee
